

## **BIO DATA**

Name	: Dr C.NithyaNandam
Education Qualification	: M. Tech, Ph.D.
Designation	: Associate Professor
Department	: Electrical and Electronics Engineering
Total Experience	: 13 Years
Subjects Taught	: Electrical power systems, Electrical Machines, Control systems, Power Electronics, Network Analysis, Electrical Machine and Renewable Energy
No of Papers Published in Journals	: 04
No of Papers Published in Conferences	: 01
No of workshops/ FDPs Attended	: 19
No of UG projects Guided	: 13

### **Achievements**

- Prepared Criteria -2 Files of EEE department under IQAC in SVCN, Nellore
- Worked as an in charge in NBA criteria 4 and 5 In NAAC work served as an in charge in criteria 6 Having 10 years of teaching experience. Ph.D. in Electrical Engineering.
- Published several peer-reviewed papers in prestigious journals with high impact factor and International conferences
- I am a guest editor of sustainable energy technologies and assessment, Elsevier.
- Certified, attended various workshops and national level conference.
- Having Strong knowledge among EEE subjects. Academic Coordinator. Taught 16 different electrical engineering courses.
