### **Report of “Debate on Gender Equality Benefits Everyone in Society”**

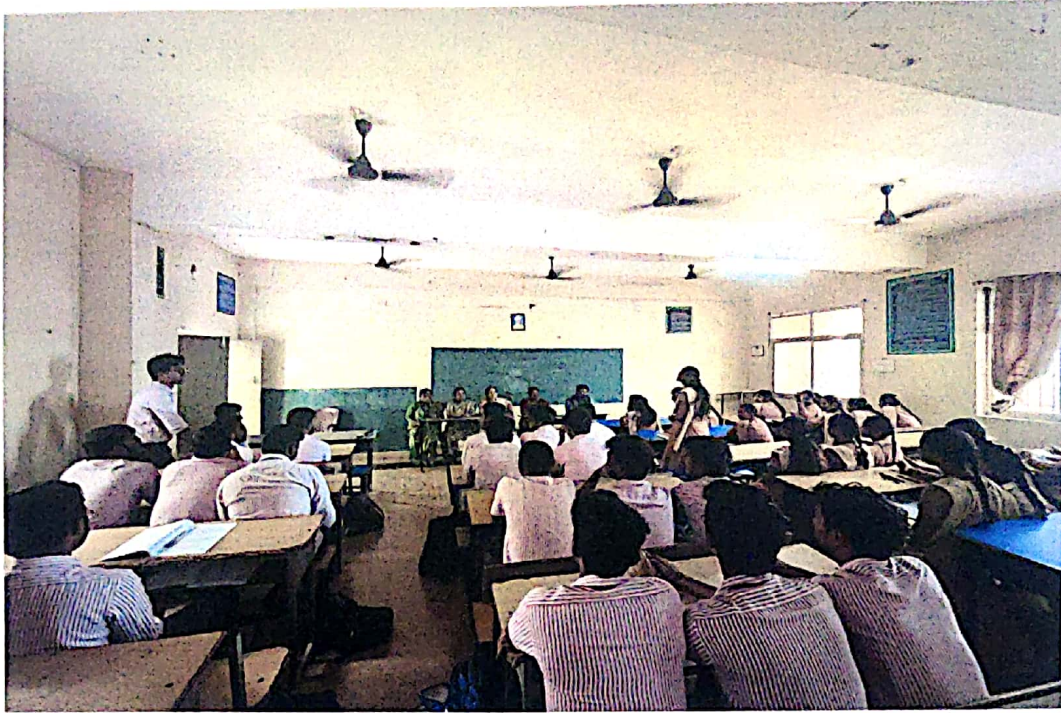

Sree Venkateswara College of Engineering, North Rajupalem, SPSR Nellore district was organized **“Debate on gender equality benefits everyone in society”** on 12-08-2024 in association with SVCN Women Empowerment and Grievance Redressal Cell (WEGRC). On this occasion honorary chairman of SV group Dr. P. Sree Lakshmi who also acts as chairman of Women Empowerment and Grievance Redressal Cell addressed the students on the importance of women role in the society development. Dr. C. Prakasa Rao, Principal SVCN addressed the participants as students empowerment is possible when women are strong in education, health, awareness about their rights and importance of equality.

The debate surrounding gender equality highlights its benefits for everyone in society. Gender equality can lead to increased economic growth, improved productivity, reduced poverty, improved health outcomes, and increased educational attainment. While counterarguments exist, they can be rebutted by highlighting the evidence-based benefits of gender equality. As such, promoting gender equality should be a priority for policymakers, businesses, and individuals, as it can lead to a more inclusive, equitable, and prosperous society for all.

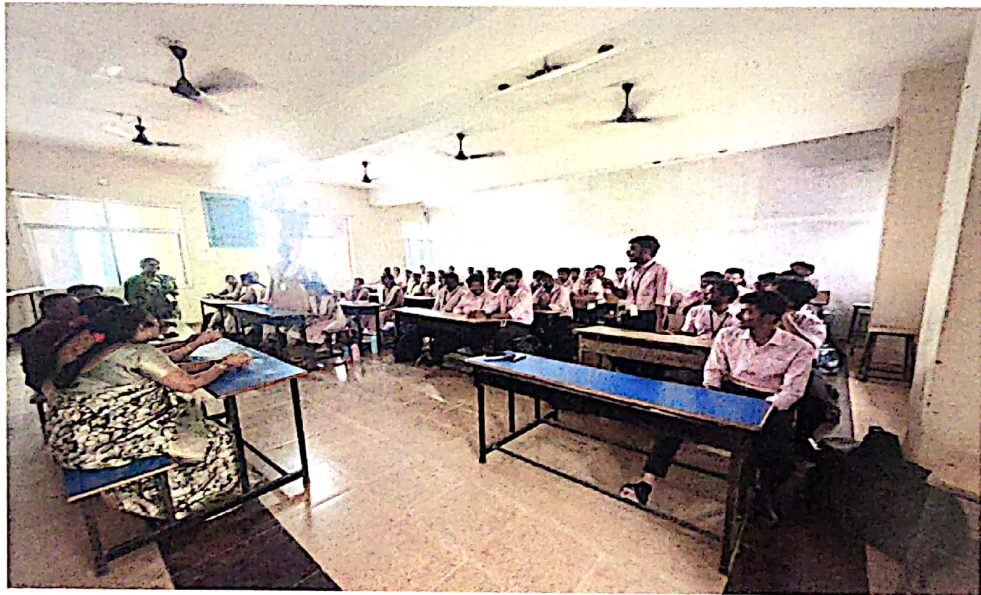

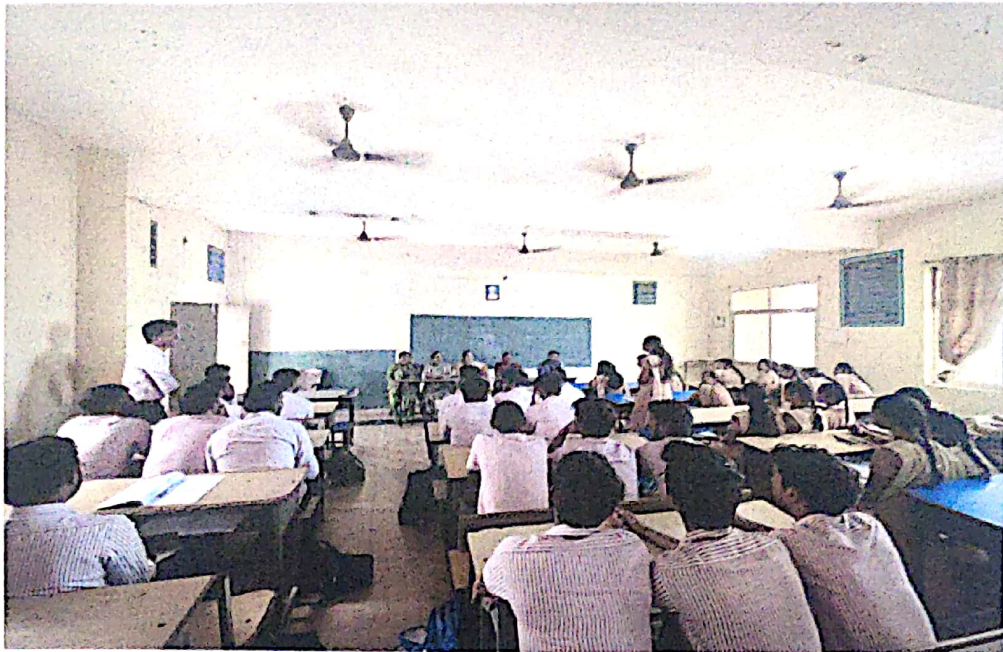

In these programme students from III B.Tech students were participated. Women Empowerment and Grievance Redressal Cell members Mrs. V. Kusuma Priya, Mrs. U. Sree Lakshmi, Mrs. Ratna Jyothi and Mr. K. Girish Kumar were participated.
