#### ***COMPANY PROFILE:***

The APSRTC (Andhra Pradesh State Road Transport Corporation) Zonal Workshop is a facility owned and operated by APSRTC in a particular zone or region of Andhra Pradesh, India. APSRTC is the state-owned road transportation company that provides bus services within the state and to neighboring states.

The Zonal Workshop is responsible for the maintenance, repair, and servicing of APSRTC buses in its designated zone. It serves as a central hub where buses are inspected, repaired, and maintained to ensure their smooth operation and safety. The workshop is equipped with various tools, equipment, and skilled technicians who specialize in different aspects of bus maintenance, such as mechanical repairs, electrical work, bodywork, painting, and so on.
