DEPARTMENT PROFILE

- ❖ The Department of ECE was established in 2011 with an intake of 60 students in the UG program. The intake was enhanced to 120 in 2013 and 180 in 2014. The department aims at training students in advanced cutting edge technologies and imparts values so that they are equipped to deal successfully any challenges in life, by exploring and creating new avenues. Students are taught to recognize their potential & use it for their best advantage.
- ❖ The faculty team consists of experts from the industry and academia. The department is highly praised for its activities in the technical front, contributing highly towards the development of cutting edge technologies and professionals. While building a solid foundation of the fundamentals, the students are also exposed to emerging trends in the industry and are moulded to be quality professionals of the future. Electronics and Communication Engineering laboratories are equipped with state-of-the-art equipment and advanced software that enables the students to design of hardware circuits.
- ❖ Our students actively participate in organizing various events such as technical workshops through the IETE student chapter. Several faculty members and students are actively engaged in research and regularly publish their work in national journals and conferences. Students are continuously encouraged to do mini projects from III semester onwards and to exhibit projects at various colleges around the state.

INSTITUTE VISION

- Be a best institute to originate and foster skilled engineers and create changemaker's for the development of nation with a phenomenal wisdom with morals, values and societal responsibilities.

INSTITUTE MISSION

- To impart graduate with quality education and use innovative teaching-learning process to excel in their careers.
- To build an ecosystem and play a vital role in strengthening innovative research and entrepreneurship skills among graduates.
- To produce engineers with moral values and social responsibility, and address societal needs for better nation.

DEPARTMENT VISION

- To provide high quality education in the field of ECE and cultivate the students as skilled Engineers to compete globally and foundation of ethical & moral education to make significant contributions to the society.

DEPARTMENT MISSION

- To enrich Technical Skills of students through Effective Teaching and Learning practices for exchange of ideas and dissemination of knowledge.
- To enable the students with research and entrepreneur skill sets through state-of-the art laboratories, industry interaction and training on core & multidisciplinary technologies.
- To develop and instill creative thinking, Life-long learning, leadership qualities, Professional Ethics and social responsibilities among the students by providing value based education.

PROGRAMME SPECIFIC OUTCOMES (PSO's)

ECE graduates will be able to,

- **PSO-1: Higher Studies:** Qualify in competitive examinations for pursuing higher studies by applying the fundamental concepts of Electronics and Communication Engineering domains such as Analog and Digital Electronics, Signal Processing, Communication & Networking, Embedded Systems, VLSI design and Control systems etc.
- **PSO-2: Framework:** Get employed in allied industries through their proficiency in program specific domain knowledge, specialized software packages and computer programming or become an entrepreneur.

SEMINARS/WORKSHOP ATTENDED BY FACULTY

- ✚ Mr.P.Gopala Krishna, Associate Professor, Dept. of ECE has attended, a one day **Training Program Organized** by JNTUA, Ananthapuram on new Technologies in the area of "**Microsoft Azure Ai Fundamentals**" on 21-06-2022.
- ✚ Mrs.P.Padmavathi, Associate Professor, Dept. of ECE has participated in Webinar on "**Live NAAC Softwahren Product Demo-Ki-NAAC Software**" held on 20-04-2022.
- ✚ Ms.G.Usha Rani, Assistant Professor, Dept. of ECE has attended a two day FDP on "**Disruptive Technologies in Communication**" held at Sri Sairam Institute of Technology from 30-03-2022 to 31-03-2022.
- ✚ Mrs.R.Thanuja Singh, Assistant Professor, Dept. of ECE has attended a two day FDP on "**Disruptive Technologies in Communication**" held at Sri Sairam Institute of Technology from 30-03-2022 to 31-03-2022.
- ✚ Mr.P.Malyadri, Associate Professor, Dept. of ECE has attended a five day FDP on "**Advanced Signal Processing, Communications using AI and ML Techniques**" held at GMR & Sri Sairam Institute of Technology from 21-03-2022 to 25-03-2022.
- ✚ Mr.J.Sunil Kumar, Associate Professor, Dept. of ECE has attended a five day FDP on "**Advanced Signal Processing, Communications using AI and ML Techniques**" held at GMR & Sri Sairam Institute of Technology from 21-03-2022 to 25-03-2022.
- ✚ Mrs.C.Vidya, Assistant Professor, Dept. of ECE has attended five day FDP on "**Advanced Signal Processing, Communications using AI and ML Techniques**" held at GMR & Sri Sairam Institute of Technology from 21-03-2022 to 25-03-2022.
- ✚ Ms.G.Usha Rani, Assistant Professor, Dept. of ECE has attended five day FDP on "**Advanced Signal Processing, Communications using AI and ML Techniques**" held at GMR & Sri Sairam Institute of Technology from 21-03-2022 to 25-03-2022.
- ✚ Mr.P.Ravi Kumar, Associate Professor, Dept. of ECE has participated in a Five day online FDP on "**Advanced Technologies & Challenges in Electronics and Communication Engineering**" held during 08-03-2022 to 12-03-2022.

- ✚ Ms. G.Usha Rani, Assistant Professor, Dept. of ECE has participated in a Five day online FDP on "**Advanced Technologies & Challenges in Electronics and Communication Engineering**" held during 08-03-2022 to 12-03-2022.
- ✚ Mrs.C.Vidya, Assistant Professor, Dept. of ECE has participated in a five day online FDP on "**Advanced Technologies & Challenges in Electronics and Communication Engineering**" held during 08-03-2022 to 12-03-2022.
- ✚ Mr.P.Rajesh, Associate Professor, Dept. of ECE has participated in a Five day FDP on "**Advanced Technologies & Challenges in Electronics and Communication Engineering**" held during 08-03-2022 to 12-03-2022.
- ✚ Mrs.P.Padmavathi, Associate Professor, Dept. of ECE has participated a five day online FDP on "**Advanced Technologies & Challenges in Electronics and Communication Engineering**" held during 08-03-2022 to 12-03-2022.
- ✚ Ms.T.Anitha, Assistant Professor, Dept. of ECE has participated in a five day online FDP on "**Advanced Technologies & Challenges in Electronics and Communication Engineering**" held during 08-03-2022 to 12-03-2022.
- ✚ Mrs.K.Sumathi, Assistant Professor, Dept. of ECE has participated in a Five day online FDP on "**Advanced Technologies & Challenges in Electronics and Communication Engineering**" held during 08-03-2022 to 12-03-2022.
- ✚ Mrs.R.Thanuja Singh, Assistant Professor, Dept. of ECE has participated in a Five day online FDP on "**Advanced Technologies & Challenges in Electronics and Communication Engineering**" held during 08-03-2022 to 12-03-2022.
- ✚ Mrs.D.Rajani, Associate Professor, Dept. of ECE has participated in a five day online FDP on "**Advanced Technologies & Challenges in Electronics and Communication Engineering**" held during 08-03-2022 to 12-03-2022.
- ✚ Mr.P.Rajesh, Associate Professor, Dept of ECE has attended a Five day FDP on "**Revolutionizing Industrial Digital Transformation through conducted Technologies**" From 28-02-2022 to 04-03-2022.
- ✚ Mrs.C. Vidya, Assistant Professor, Dept of ECE has attended a Five day FDP on "**Revolutionizing Industrial Digital Transformation through conducted Technologies**" From 28-02-2022 to 04-03-2022.

- ✚ Mr.P. Ravi Kumar, Associate Professor, Dept of ECE has attended a Five day FDP on **“Applications of Machine Learning in Healthcare Technology”** From 22-02-2022 to 26-02-2022, held at Narayana Engineering College, Nellore.
- ✚ Mr.J.Sunil Kumar, Associate Professor, Dept of ECE has attended a Five day FDP on **“Applications of Machine Learning in Healthcare Technology”** From 22-02-2022 to 26-02-2022, held at Narayana Engineering College, Nellore.
